

Discover Nature—Families

Spend some time with us as we explore Shaw Nature Reserve.

Families with children ages 3 and up are welcome (activities are geared toward children). Families will want to dress for the weather. Please bring a water bottle and you are welcome to bring a snack for your family. There will be a moderate amount of hiking. Sorry—there is no rainy day option.

All classes run 9:30–11:30 a.m. The cost is free with admission to Shaw Nature Reserve. You are welcome to bring a picnic lunch and spend the day exploring the reserve.

You must sign up at least a week in advance. Please call (636) 451-3512, ext. 0.

Wolf Run Lake Exploration

Monday, June 15th, 2009

Come with us as we use nets to discover what lives in Wolf Run Lake.

Earth Walk

Wednesday, June 17th, 2009

Join us as we use our senses to explore the Nature Reserve.

Nature Explore Classroom— Stepping Stones

Friday, June 19th, 2009

Come and experience our Nature Explore Classroom. We will hear a story, and you will make a stepping stone for a pathway in the NEC. You are welcome to bring an item from home to place in the stepping stone (a marble, a special rock, etc.). Remember, these stepping stones will be staying here for others to enjoy.

Creek Stomp

Monday, June 22nd, 2009

Grab your creek shoes and investigate Brush Creek with us. We will see what kind of critters we can find living in the creek. If water level is high we will explore one of our ponds.

Fairy Houses

Wednesday, June 24th, 2009

Do fairies live at Shaw Nature Reserve? This program will be based on the children's book, *Fairy Houses* by Tracy Kane. Come and construct your own fairy house. Who knows, maybe someone will move in!

Nature Explore Classroom— Project Day

Friday, June 26th, 2009

Who lives in the Nature Explore Classroom? Join us as we make sure the area is inviting to the plants and animals that visitors might find there.
